Nice to have you here. Thank you for your interest.

Come on board at [INP Schweiz](#), where [Drives technology](#) meet top performance and expectations.

My name is [Manoj Nambiar](#), and I lead a dynamic team of around 25 experts, mainly from Switzerland, occasionally reinforced by specialists from around the world. Our projects span across Switzerland and beyond. Whether it's engineering, project management, construction supervision, or commissioning - we set the standards.

We are looking for [colleagues](#) who value reliability and independence and thrive in a team environment. You should be able to act responsibly and be always willing to share your knowledge and support others. In return, I offer you my 25 years of experience in engineering and project management to guide you on your career path and help you achieve your goals.

Any questions about the position? I am available for professional inquiries: +41 56 552 19 20.

P.S. [Here](#) are some insights from INP and our employees.

Exciting tasks for you:

- Project management in the field of Drive System projects
- Support the Project Management Team in handling customer projects of various complexities
- Negotiation of contracts with vendors
- Project planning, execution and cost optimization
- Supply chain and logistic coordination

How you can help us:

- Degree in Electrical or Mechanical Engineering
- Minimum 3-years' experience managing Electrical Engineering projects
- Experience in the area of Oil and Gas, Mining, Metal industry or similar
- Experience in managing various projects size, complexity and contractual types
- Familiar with project management and planning tools is an advantage
- Valid work permit in Switzerland
- Fluent in English, other languages is a plus

What's in it for you?

- Permanent employees benefit from various advantages such as variable pension fund models and benefit fro 2'000 Swiss francs
- Many further training opportunities are available to you: We generously co-finance internal training sessions as well as external training seminars
- Hire and Fire? Not here! We do not believe in "Hire and fire" policies.
- Over the last 20 years, we have grown from a handful of visionaries to several dozen professionals
- We have kept our family spirit and look after each other
- Only well-informed employees can deliver optimal performance. That is why we regularly provide transparent information
- You can find out more about the advantages of working with INP Schweiz [here](#)
